and shrub borders with a stone pathway leading through a timber arch with espalier Apple trees to either side, leading to a productive vegetable garden with raised beds, Greenhouse and Garden Shed. A picket fence and gate leads to a further timber garden shed with wood store and composting area with gate to the adjoining field.

To the side of the cottage are further sheltered seating areas and steps down to a small pond.

The garden is enclosed by mature hedging to wall sides, kept to a level which does not detract from the all encompassing outlook.

Approached from the lane, there is a block paved and gravelled parking and turning area along with a single Garage with metal up and over door, light and power. The oil tank is located to the side of the garage and there is outside lighting and water supply. Adjoining the garage is a brick and beamed storage shed also with light and power. Flagstone steps lead down to the entrance door of the property with functional Well-Water pump and to double gates which provide access to the garden.

### **Burysgate Field**

Adjoining the property is Burysgate Field which our clients advise us extends to around 1.25 acres. The field is enclosed with mature hedging and there is a five bared gate leading to the lane. Field shelter and a couple of small stables (in need of repair) set onto a concrete base.

### **Directions**
